Some of you have made suggestions regarding the unwarranted and outrageous online attacks on Amy Inouye that have appeared on social media sites. I thought it would be useful to bring key members of the neighborhood together for a brief meeting to devise a unified community response.

Please let me know if you'd be available on Wednesday, March 21 at 6pm. Dalton from The Lodge has generously agreed to allow us to utilize his space (104 North Avenue 56, upstairs at the Masonic Hall).

Please let me know if you'll be available.

Thanks,
